## Learning Objectives – Internships/Cooperative Education

---

STUDENT NAME: \_\_\_\_\_

**LEARNING OBJECTIVES:**

- **SPECIFIC:** What skills do you want to gain, improve upon or apply to a job outside of the classroom?
- **ACCOUNTABLE:** How will you try to achieve the goal? What method will be used to achieve success?
- **MEASURABLE:** Determine how you will evaluate your learning. What will determine your desired level of competency for each objective (accuracy, efficiency, project completion, quality, etc.)?

Consider both what you want to gain from the work experience, as well as what meets your employer's business needs when drafting learning objectives. Objectives must relate to your academic/career goals or area.
