College Level Examination Program (CLEP) Credit /Advanced Placement (AP)

If a student has received college credit through CLEP or AP for a course, the student will not be given quality points for ranking purposes.

PROGRESSION

The BSN Program is competency based in skills and theory. To continue in any course, a student must have a satisfactory clinical performance and have averaged a minimum of 77 percent on examinations.

A student dropped for academic or other reasons may apply for readmission if in compliance with the UA Fort Smith Student Academic Progress Policy as outlined in the course catalog. The student is not guaranteed a position for readmission. Unless there are extenuating circumstances, a student is limited to one readmission into the program.

A grade of "C" or better is required in ALL courses applicable to the Bachelor of Science in Nursing (BSN). Science courses taken more than five years prior to entering the program will be evaluated on an individual basis by the Program Director of BSN Programs and/or the college dean. See your advisor for more information and to request a science course evaluation.

GRADUATION

A minimum of a 2.00 cumulative grade point average on all work attempted at the University and a minimum 2.00 cumulative grade point average on all courses in the major and/or minor areas is required for graduation. The student must meet with their faculty advisor to complete the graduation application. The student is responsible for providing the Records Office with evidence that the criteria for graduation have been met the semester prior to graduation. After being granted the Bachelor of Science in Nursing degree, the student is eligible to apply to take the National Council Licensure Exam for a Registered Nurse.

Note: The application process for RN licensure requires a state & federal criminal background check. Students, who have been convicted of a crime, including those that are sealed or expunged, must seek permission from the Arkansas State Board of Nursing to write the licensure exam to become a licensed registered nurse.
